

MINISTERS OF LOCAL METHODIST CHURCHES RETURNED TO CHARGES

Action Was Taken at the Closing Session of
the Conference at Decatur Yesterday—
But Few Changes Are Made in District
—F. A. McCarty Remains at Bloomington

All of the ministers of the local Methodist churches as well as those in charge of the circuits in this immediate vicinity were returned to their respective charges for another year by the conference which closed at Decatur yesterday.

This is evidence that good work has been done for Methodism in Jacksonville and vicinity by the local ministers. The action of the conference will meet with the general approval of the various church organizations of the city and county.

As will be noted in the list of appointments for Jacksonville as well as Quincy and Springfield districts, there were few changes made in any of the cities in the circuits. Several ministers who formerly served here were returned to their charges for another year. Among these is F. A. McCarty, who will be at First Church in Bloomington for the coming conference year. The list of appointments is given hereunder:

SIXTEEN INDICTED MEN WERE STILL AT LIBERTY YESTERDAY

Eight Surrendered to
Sheriff Thraxton—
22 in Custody

(By The Associated Press)
MARION, Ill., Sept. 11.—Sixteen of the 38 men indicted by the special grand jury on charges of murder in connection with the Herrin massacre were still at liberty tonight. Eight surrendered to Sheriff Thraxton today. In addition to the 14 who have been in custody in the county jail.

The eight new prisoners are Peter Hiller, Joseph Carnegie, Otis Maynard, Joseph Rogers, Roy Murray, Frank Adams, all of Herrin, and James Norris and Dallas McGee both of Energy, a hamlet three miles south of Herrin.

Hiller, Rogers and Carnegie are charged with having participated in the murder of Howard Hoffman of Huntington, Ind., an employee of the Lester strip mine around which the massacre took place and the other five are charged with charges of having killed John Shoemaker of Charleston, Ill., assistant superintendent of the mine. One half of the 29 indicted on charges of conspiracy and rioting have given bonds of \$1,000 each. Darby Babington and Fred Cooper, both of Johnston City, being the last two to surrender on these indictments today after they had returned from the miner's state convention at Peoria. Babington is a member of the miners' state executive board, and Cooper is state mine investigator.

Sheriff Thraxton made known today that no special precaution had been taken to guard the jail as he had received the assurance of the miners' union officials that they would surrender all union miners indicted and that "no trouble would be expected."

REPUBLICANS WIN IN MAINE

PORTLAND, Me., Sept. 11.—Senator Frederick Hale, Republican, and Governor Percival P. Baxter, Republican, were elected a main today by majorities falling decidedly below those given republican candidates in 1920. The Democratic vote in three quarters of the state was nearly 5,000 ahead of that of two years ago, while the Republican vote fell off by 22,000.

Returns from 484 election precincts representing 426 cities and towns gave for Senator:
Hale, Republican ... 66,260
Curtis, Democrat ... 47,627
For Governor:
Baxter, Republican ... 68,173
Pattinall, Democrat ... 49,268
Partial returns indicated the election of the four Republican congressmen from Maine.

LEGED SLAYER
CAPTURED MONDAY
Peoria, Ill., Sept. 11.—D. O. Isinger, who fled after he shot and killed Carmon Crouse Friday night, was arrested tonight at Rock Falls, near Sterling, Ill., according to a telephone call to the sheriff's office here.

Green Bay, Wis., Sept. 11.—S. R. Smith of Freeport, Ill., is in hospital here suffering with a broken jaw and his wife and daughter, Marian, escaped with light injuries when an automobile in which they were riding struck a telegraph pole.

BONUS MEASURE TO BE REPORTED TO HOUSE TODAY

Eliminate Simmons
and Smith-McNary
Amendments

(By The Associated Press)
WASHINGTON, Sept. 11.—Conference on the soldier bonus bill reached an agreement today and it was announced that the measure would be reported tomorrow to the house. It will not be called up there until after the conference report on the tariff bill has been disposed of which may be on Wednesday or Thursday. After the house acts the bonus will go to the senate where also it is to be put behind the tariff.

Four major changes were made in the bill in conference. Elimination of the Simmons amendment authorizing the financing of the bonus out of interest from the foreign debt.

Elimination of the land reclamation feature, which under the senate plan embodied in the Smith McNary reclamation bill would have involved an expenditure of \$350,000,000.

The limiting of the time in which veterans might file applications for a bonus to January 1, 1923.

Acceptance of the house provision fixing the amount to be advanced for farmer home aid to the amount of the adjusted service credit increased by 25 per cent of the adjusted service credit.

No important change was made in the adjusted service certificate option with its provisions for loans to veterans by banks in the next three years, and for government loans thereafter. The vocational training aid option and the provision for cash payments to veterans whose adjusted service credit would not exceed 50 also were unchanged.

Try to Meet Objections
Much of the three hours session of the conference was understood to have been devoted to a discussion of whipping the bill into such shape as would meet the publicly expressed objections of President Harding. It was reported by some Republican managers that the measure would have a better chance of prompt approval without the Simmons' amendment and the option.

Two of the ten conferees—Senator Smoot, Republican, Utah and Representative Garner, Democrat, Texas—voted against the bonus as finally perfected, while one manager, Representative Collier, Democrat, Mississippi, was absent. Those supporting the measure were Senators McCumber, North Dakota and McLean, Connecticut, Republicans, and Simmons, North Carolina, and Walsh, Massachusetts, Democrats and Representatives Fordney, Michigan, Green, Iowa, and Longworth, Ohio, Republicans.

GREAT LAKES SAILORS' UNION VOTES TO STRIKE

(By The Associated Press)
CHICAGO, Sept. 11.—A strike vote taken among members of the sailors' union of the Great Lakes has resulted in an overwhelming majority in favor of a walkout, according to an announcement tonight by K. E. Nann, secretary of the organization.

The strike vote was directed against members of the Lake Carrier's association a majority of whose vessels were said to be controlled by the United States Steel corporation. No passenger vessels are involved. A walkout would affect wheelmen, watchmen, lookouts, able seamen and ordinary seamen. A date for the strike will be set within the next few days by the executive committee of the union. The only question at issue between the vessel owners and the men according to Mr. Nolan is one of hours of labor. He said the men were now working 84 hours a week on a 12 hour day, seven days a week and are demanding a 56 hour week, or an eight hour day, seven days a week.

After the reading of his charges Mr. Keller offered and the clerk read the usual impeachment resolution for an investigation of the official conduct of the attorney general announcing he was prepared to go before the committee "to produce evidence and witnesses in proof of my charges."

Then he moved that the house adopt his resolution. Republican Leader Mondell immediately offered a motion to refer the whole proceeding to the judiciary committee and it was put thru with only a few voices being lifted in opposition. Some time in the future, according to the view expressed by leaders the committee may report adversely on the resolution or let it sleep for all time.

WEATHER

Illinois—Generally fair Tuesday and Wednesday except unsettled in north portion Tuesday; warmer Tuesday.

Temperatures	
The current, maximum and minimum temperatures as recorded Monday were:	
Jacksonville, Ill.	61 71 47
Buffalo	70 72 48

Detroit	62 63 58
Omaha	70 80 59
Minneapolis	62 70 42
Helena	74 74 54
San Francisco	62 68 56
Winnipeg	56 64 46

Mrs. Harding Shows Improvement Monday

(By The Associated Press)
WASHINGTON, Sept. 11.—The improvement shown in the condition of Mrs. Harding was maintained today, according to the official bulletin issued by the attending physicians at 7:30 P. M. The patient enjoyed a "most comfortable day" the statement said. When her temperature remained at 100 Mrs. Harding's pulse had decreased to 90 and her respiration to 28, the night bulletin showed.

The surgical procedure it was stated has been "further deferred awaiting localization of infection." The situation at 11:45 o'clock tonight remained unchanged. It was understood that the patient's improvement was continuing.

The bulletin follows: "Mrs. Harding's condition at 7:30 P. M.; temperature 100, pulse 90; respiration 28. Laboratory observations show increased elimination and improvement in character of findings. Surgical procedure further deferred awaiting localization of infection. Patient has had most comfortable day during the present illness. While all indications show favorable progress, prognosis is still guarded."

"C. E. Sawyer, M. D." The patient's temperature showed an increase of one half degree since morning but the physicians have forecast that slight increases would be met as the treatment progressed. On the other hand her pulse showed a decrease of six points since morning and of 20 points since last night and her respiration of two points since morning being nearly normal.

Dr. Sawyer declared the increased elimination of wastes thru the kidneys noted in the morning bulletin had given the attending physicians a sense of relief they had not felt heretofore.

REPRESENTATIVE KELLER SEEKS TO IMPEACH DAUGHERTY

Action Grows Out of Attorney General's Injunction Petition

(By The Associated Press)
WASHINGTON, Sept. 11.—Impeachment charges against Attorney General Daugherty, growing out of his petition for an injunction in the cases of striking railway employees, were presented to the house today by Representative Keller, of Minnesota, an independent Republican. After a brief flurry they were referred to the judiciary committee with members, Republicans and Democrats alike predicting they never would be heard from again.

Seven specific charges were set forth in the Keller complaint, embracing alleged attempts to abridge the freedom of speech, the freedom of the press and the right of people peaceably to assemble. The attorney general was accused of threatening citizens who had opposed his attempts to override the constitution. He was charged with using the funds of his office "illegally and without warrant" for the prosecution of individuals and corporations "for certain lawful acts"; with failure to prosecute violations of the law after these violations have become public scandal.

The concluding counts charged that the attorney general had defeated the ends of justice by recommending the release from prison of wealthy offenders against the Sherman anti-trust act and with failure to prosecute persons legally indicted for crimes against the people.

After the reading of his charges Mr. Keller offered and the clerk read the usual impeachment resolution for an investigation of the official conduct of the attorney general announcing he was prepared to go before the committee "to produce evidence and witnesses in proof of my charges."

Then he moved that the house adopt his resolution. Republican Leader Mondell immediately offered a motion to refer the whole proceeding to the judiciary committee and it was put thru with only a few voices being lifted in opposition. Some time in the future, according to the view expressed by leaders the committee may report adversely on the resolution or let it sleep for all time.

STILL HAVE LOTS OF WORK AHEAD

(By The Associated Press)
JACKSON, Calif., Sept. 11.—Ninety three feet of dirt remained to be opened in the 3600 foot level of the Kennedy Mine at 4 p. m. today before the feet of hard rock which separates them from 47 miners entombed in the adjoining Argonaut mine since August 27.

Only two feet of rock was drilled and blasted out today on the 3600 foot level leaving 125 feet to go before the second rescue outfit can break into the Argonaut by that route.

TURNING POINT FOR LABOR IN MINER'S STRIKE

Gompers Says Settlement
Augurs Well
for Labor's Future

(By The Associated Press)
ATLANTIC CITY, N. J., Sept. 11.—After reviewing the major strikes in which union members of the American Federation of Labor have engaged during the past year, President Gompers and the executive council of the federation today sent a message to John L. Lewis, president of the United Mine Workers declaring that "the advantageous settlement of the miners' strike marks the turning of the tide that will usher in the fulfillment of labor's hope and aspirations."

The message telegraphed to Mr. Lewis at Indianapolis and Wilkes Barre, said:

"The executive council of the American Federation of Labor extends to you and to all officers and members of the United Mine Workers of America sincere congratulations upon the successful resistance against the vicious attempt that has been made to deprive the mine workers of the gains and rewards of years of collective struggle."

"The victory of the miners on both the bituminous and anthracite coal fields is a splendid achievement and unquestionably will demonstrate the great power and beneficial influence of united action against the concerted movement of high finance, whose aim is the suppression and depression of the workers, the wealth producers of our republic."

Asserting that "the meeting of the executive council promise to be of great significance to the general labor movement and to all elements in our industrial financial educational and political life the delegates today deferred until a future session consideration of the shopmen's strike."

"While this strike is considered of the greatest importance, further consideration was postponed to await the outcome of the legal contest progressing in Judge Wilkerson's court in Chicago," said the statement of the day's proceedings.

"It is believed that no further action will be required until after Judge Wilkerson has ruled on the issue raised in the injunction hearings this case continued."

"Attorney General Daugherty's intimation of a nationwide plot to ruin the transportation facilities of the country are viewed by labor more as bombast than as of legal significance."

DISTILLERY HEAD IS ARRESTED AT ROCKFORD MONDAY

Is Charged by Chicago Men
With Operating Confidence Game

(By The Associated Press)
CHICAGO, Sept. 11.—Harry Graham, head of the H. H. Graham Distilling company of Rockford, Ill., was arrested in Rockford today on two warrants charging operation of a confidence game. The warrants were obtained by Maurice Loeb, and Frank E. Johnson, both of Chicago.

According to information set forth in the complaints, Graham sold S. Loeb and Johnson a number of whiskey certificates for \$3,000, with the understanding that the certificates would enable the two men to remove the whiskey from bond. When difficulty was experienced in removing the whiskey Graham asked that the certificates be returned to him vouching to take charge of the removal himself, it is said.

According to the complaints, Graham made no attempt to remove the whiskey and kept the certificates himself. Loeb and Johnson visited the state attorney's office where they were advised to obtain warrants. Graham, when he learned that the warrants had been issued, came to Chicago and surrendered himself. He was immediately released in bonds of \$3,000. His attorney stated he understood from his client that the certificates had been returned to Loeb and Johnson.

DAUGHERTY URGES
WAR FRAUD BILLS

Washington, Sept. 11.—Two senate bills, urged by Attorney General Daugherty to aid in the prosecution of war fraud cases were passed today by the house with amendments limiting their life to three years. One provides that any district court order for the attendance of witnesses shall be valid thruout the United States. The other provides that the government shall elect the trial court of any cases by the residence or location of any one of the men accused.

RESTRAINING ORDER CONTINUED TEN DAYS BY JUDGE WILKERSON

Judge Wilkerson Makes Ruling at Chicago
Yesterday—Denies the Motion of Shopmen's Attorneys That Petition be Dismissed—Heavy Battery of Legal Talent

(By The Associated Press)
CHICAGO, Sept. 11.—The temporary restraining order granted the government September 1, against the striking railroad shop crafts and their leaders tonight was continued in effect for not to exceed 10 days. The original order would have expired at midnight.

Federal Judge James H. Wilkerson ordered the continuance on the government's motion at the close of the first day's hearing on the petition of the attorney general for a temporary injunction to replace it. The continuance, the court stipulated, will terminate upon the decision in the injunction hearing.

As a result of the continuance the injunction hearing will be halted tomorrow while attorneys for B. M. Jewell, president, and John Scott, secretary-treasurer of the Federated Shop Crafts argue for a modification of its drastic penalties. Donald R. Richberg, representing the strike leaders, served notice on counsel for the government that he would have some modifications when court convenes tomorrow.

Jewell and Scott lost the first battle when the court denied their motion that the government's petition be dismissed.

time to decide that the bill fails to set up any grounds for relief," Judge Wilkerson said and ordered Blackburn E. Sterling, assistant to the solicitor, general to proceed with the presentation of the government's case. In the argument over the continuance of the restraining order the court pointed out the difference between the charges of unlawful combination and lawful combination to do unlawful acts and indicated that if the defense can show only the latter is charged in the bill some modification of the present order might be made.

The government read into the record a list of nearly 25 murders growing out of the rail strike and hundreds of acts of sabotage, assault, dynamiting, whipping, derailment of trains, burning of bridges, rioting, destruction of property and interference with interstate traffic.

The defense protested that the list, compiled by the department of justice and sworn to by C. J. McGuire attorney for the department was improper as evidence but it was admitted for the time being on the understanding that the government would produce further facts in its support. On the same understanding Judge Wilkerson admitted a certificate from Postmaster General Hubert Work showing that 953 mail trains operating over track aggregating 82,912 miles have been withdrawn because of the strike and that delivery of the mails has been seriously hampered. Likewise he admitted for the time being a report from the director of agriculture of California showing the falling off in fruit shipments during July because of the railroad tie up.

Heavy Battery of Talent.
Attorney General Daugherty, who obtained the original order and is in charge of the government's fight for an injunction to replace it, was surrounded by one of the heaviest batteries of legal talent the government has ever assembled in a Chicago court. Besides Mr. Sterling he is supported by J. W. H. Crime, assistant attorney general; James Fowler, and A. A. McLaughlin, all three special assistants to the attorney general, Charles H. Clyne, district attorney and C. J. McGuire, attorney.

Mr. McLaughlin also represents the railroad administration. Mr. Richberg, local attorney for Messrs. Jewell and Scott, was assisted by Frank L. Mulholland of Toledo. Elaborate precautions were taken to guard against any untoward incident.

Mr. Richberg, in a three hour argument attacked the government's bill; declared the act involved in the calling and prosecution of the strike were entirely lawful; that the injunction was one the court had no power to grant because it was unconstitutional and violates the Clayton act and declared that if the bill is stripped of its conspiracy charges all that is left is a bill to enjoin criminal acts by unknown persons who may or may not be members of the unions.

The bill is based on an assumption that the defendants are under a legal duty to obey the decisions of the railroad labor board he said and he cited decisions and the law creating the board, as well as statements of the law's authors, Representative Esch and Senator Cummins, in support of his assertion stating that no such legal duty exists.

The attorney general Mr. Richberg declared has no right to use the power of government to prevent labor from doing any lawful thing to fight the "open shop" movement. He cited the decision of the federal circuit court of appeals here in modifying the drastic provisions of the injunction against the coal miners and a few months ago by Judge A. B. Anderson at Indianapolis. From that decision he read the appellate court's declaration that either employers or union men have the right of free access and appeal to unemployed men to win employees or union adherents, and that employers have the right to appeal to union men to become non-union while the unions have an equal right to urge unorganized workers to join their cause.

CHIEF ACTORS IN MICHIGAN PRIMARY CLOSE CAMPAIGNS

Three Cornered Fight
for Senator on Republican Ticket

(By The Associated Press)
DETROIT, Mich., Sept. 11.—Chief actors in Michigan's 1922 political drama rested tonight, after one of the most strenuous campaigns in the primary tomorrow.

Contests will be decided then for the Republican nominations for United States senator, governor, eleven congressmen and a number of minor officers and for Democratic gubernatorial nominations.

The only race that attracted more than passing interest from the state as a whole was that for the Republican senatorial nomination, in which four candidates are interested. These are Senator Charles E. Townsend of Jackson; Major John G. Emery of Grand Rapids former commander of the American Legion; Congressman Patrick H. Kelley of Lansing, and State Senator Herbert F. Baker of Westland.

About the only outstanding issue in the senatorial race evolved around the seating of Senator Truman H. Newberry in the upper house. Senator Townsend was a leading Newberry adherent and as a result has been assailed by his three opponents, who have been loud in their denunciation of Newberry and his supporters. Senator Townsend repeatedly has expressed the belief his colleagues' friends might have spent too much money in his campaign but the none of it was spent illegally. Townsend according to political observers will have the support tomorrow of "old guard" Republicans, Kelly will have strength among "Progressive" Republicans; Emery should poll large percentage of the war veterans' vote and Baker will show strength among farmers and labor unionists. Baker has been endorsed by the Farmer-Labor organization in Michigan. The gubernatorial campaign on both major tickets has attracted comparatively little attention. Governor Alex J. Groesbeck is opposed by Richard H. Fletcher of Bay City and Theodore M. Joslin of Adrian. James B. Balch, former mayor of Kalamazoo and Alva McCummins of Lansing are the Democratic candidates. Governor Groesbeck is being assailed by his opponents as an "autocrat" because he cheated centralized state government machinery.

Chicago, Sept. 11.—William P. Thornton, 63, an attorney, today re-married his former wife, 69. They were divorced four years ago. A grand child is said to have affected a reconciliation, leading to their second wedding.

Indianapolis. From that decision he read the appellate court's declaration that either employers or union men have the right of free access and appeal to unemployed men to win employees or union adherents, and that employers have the right to appeal to union men to become non-union while the unions have an equal right to urge unorganized workers to join their cause.

STANDARD PAVING COMPANY GETS JOB

Is Awarded West College Avenue and West Court Street Contracts—Will Begin on West College Avenue Today.

Contracts for paving West College avenue and West Court street were awarded to the Standard Paving company of Chicago at a meeting of the Board of Local Improvements held in the council chamber at the city hall yesterday afternoon.

There were three bidders on the West College avenue job while the Standard company was the only bidder on the West Court street contract. The bid of the Standard company for West College avenue was \$99,334.30 and its bid on West Court street was \$3,215.30.

The Commonwealth company of Chicago made a bid of \$103,377.70 on West College avenue and the bid of the White Construction company of Chicago was \$103,903.91 on the same job.

There was a good representation of property owners present from West College avenue and several of them commended Mayor Crabtree for the manner in which he had conducted the hearings and the final letting on the thoroughfare.

Mayor Crabtree told the property owners of his efforts to get bids from contractors on oil asphalt as well as lake asphalt but said that no one had submitted a bid.

Following the letting of the contract Mr. Thatcher of the Standard company announced that he would begin work today on West College avenue. He said that if materials could be secured the job would be completed this fall.

The Jordan Blue Boy in Blue Devil Blue—the most beautiful sport car ever built in this country—will be shown for the first time at the Illinois State Fair. Don't fail to see it.

All persons indebted to said estate are requested to make immediate payment to the undersigned.

Dated this second day of September, A. D., 1922.

ELLA M. BROOKS, Executrix.

Hugh P. Green, attorney for executrix.

REMOVAL OF SPIRE CAUSES COMMENT

Old Church Tower in White Hall Razed—Brief History Given—Other White Hall Items of Interest.

White Hall, Sept. 11.—The removal of the spire of the M. E. church, a prominent old landmark of White Hall, has created more comment in town and surrounding country just at this time than any other event. The work of removal was completed Monday by Smith Brothers of Roodhouse, and W. O. Smith states that it was a more hazardous undertaking than his firm figured. It is 82 feet to the top of the brick, and the spire was 48 feet high on top of which was the wind vane, so familiar to all this section of the country, that was 14 feet in height, making a total height of 144 feet. In order to erect the scaffolding it became necessary to remove the entire spire on account of the dilapidated condition that time had rendered the wooden structure. The spire had long been considered dangerous by the officials of the church, and just how to dispose of it was a problem until Smith Brothers were consulted. W. C. Smith, above mentioned, is congratulating himself on the successful completion of the job without personal injury or property damage. By the use of block and tackle attached to a tree the spire was successfully removed in two sections. Many people viewed the progress of the work, some with telescopes.

History of Church

The church was erected in 1872, the architect being the late George Hill. It is a fine example of the Gothic art. The original structure had smaller spires at each of the three corners. The one on the southeast was blown down during a windstorm in 1883 striking the brick pavement below point down, going several feet into the ground, and there it remained for weeks as a sample of the wreck of the storm at that time, several business buildings being damaged, and the storm is readily recalled by many citizens.

This caused the two remaining small spires to be removed, leaving the main spire that has just been removed to the distress of many citizens who regarded the wind vane as almost a part of the community life. Robert S. Dickson, one of the original members of the church, voices strong objection, along with others, to the total abandonment of the spiral feature of this splendid church edifice, claiming that it should have been repaired and allowed to remain to give the structure its proper outlines, as intended by the designer, Mr. Hill. This removes the only remaining church spire in the community, the Presbyterian folks having discarded the one on that church a number of years ago, another structure of the Gothic type that was designed by Mr. Hill, and which stands today as another example of the architectural ability of the former White Hall stonemason, manufacturer, whose architectural ability was given by him as his contribution to community development and progress.

The Methodist pastor, Rev. J. O. Kirkpatrick, is now attending the annual conference at Decatur and it is certain that he will be returned to the White Hall charge for the third year. He has plans for the enlargement of the church facilities that embrace a chapel on the west that will include a gymnasium feature that will greatly popularize the Methodist church among the young people. The gymnasium idea is said to be the result of a curtailment of the original gymnasium feature of the new high school that is now in course of construction.

Hard Road Progress

Some progress has been made with the hard road construction between White Hall and Roodhouse notwithstanding the difficulty of obtaining material. A half-mile stretch leading north from the Burlington track at White Hall has been completed, and a half mile jump has been made to the straight road leading to Roodhouse. The breaks in the work are to leave the construction of subways under the Burlington and the Alton tracks as separate contracts. This feature of the job is stimulating interest in what the railroads might intend by the holding up of awarding the contracts for the subways. Both roads have engineering plans on foot for changes that might effect the location of the subways as the tracks now lay. The Burlington planned a year ago to straighten its track north of White Hall, but a combination of fires, floods and strikes has stayed all work of the kind, while the Alton's engineering work last winter leads to the belief that its double-tracking thru Roodhouse is not an altogether settled problem. Double-tracking by the Alton at Brighton has not been held up by the receivership proceedings, and it is believed that the same will be found true in the case of Roodhouse with the engineering work probably completed, and some weeks before the receivership it was stated that the work would be done.

While the story has drifted from hard roads to railroad construction it is not entirely out of place to note that this division of the Burlington is experiencing the heaviest tonnage in the history of this line. Continuous telegraph offices have been opened all along the line, and the boom is on just as everybody feels general business will boom when once affairs get settled down to a working basis.

DR. COVERLY WEDS ENGLISH GIRL

Miss Gladys Rylands of Yorkshire is Bride of Former Jacksonville Young Man.

Announcement is made of the marriage of Dr. William E. Coverly of Chicago, to Miss Gladys Rylands of Yorkshire, England, the ceremony having taken place August 28 in Long Island, New York, at the Episcopal church. Mrs. Coverly is the daughter of Mr. and Mrs. Thomas Rylands of Yorkshire, but has made her home in Long Island for some time past.

Dr. Coverly is a son of Mr. and Mrs. Coverly of 639 Hardin avenue and lived in this city until completing his high school studies, leaving for a course in the University of Illinois and completing in Northwestern university. He has been practicing in Chicago for several years.

Following the marriage ceremony the young couple left for a honeymoon in the Adirondack mountains after which they will be at home in Hyde Park, a suburb of Chicago.

Summer has given away to fall. We have been expecting this for some time and provided by far the best assortment of men's hats the market affords. Your size, color and becoming block await you at FRANK BYRNS Hat Store.

"BIG SHOP" TAKES ON MORE WORKERS

Sixty cigar makers are now regularly working at the "Big Shop" operated in this city by the McCarty-Gebert Co., thirty having been added to the payroll this week. The number mentioned above is exclusive of the office force, salesmen and minor employees about the plant.

Ordinarily the McCarty-Gebert Cigar company employs about 140 people so it will be seen that the plant is rapidly approaching normal production and is strongly indicative of the near approach of old time prosperity.

In conversation with Mr. Gebert it was learned that business conditions have been showing a gradual improvement for a number of weeks and orders have been piling in sufficiently to warrant the increase in the number of workmen mentioned. Mr. Gebert also said he hoped it would not be long until he could announce that the "Big Shop" is again working 100 per cent.

ATTENTION ELKS

Don't forget that Jacksonville Lodge No. 682 B. P. O. E. will hold its regular session Wednesday evening, Sept. 13 at 8 o'clock. Reports of committees and other important business. A full attendance is requested.

SPRINGFIELD MASONS BEARDSTOWN VISITORS

Beardstown, Sept. 11.—More than seventy-five Springfield visiting Masons were entertained in Beardstown Saturday when the members of the Royal Order of Jesters, a branch of the Mystic Shrine, were hosts. The occasion was the initiating of thirteen candidates into the order. Only thirteen can be initiated each year and R. C. Schell was the only Beardstown candidate.

Initiatory work was carried on at the Masonic Temple and at the conclusion of the work the visitors were the guests of C. J. White, R. B. Glenn, and R. C. Schell, on a river trip on Mr. White's delightful boat, the "Driftwood."

Following the boat trip Saturday afternoon the lodge men returned to the Temple where they were entertained with a fine vaudeville program and this was followed with a luncheon served in the dining hall by the ladies of the Eastern Star. The day was an enjoyable one and will long be remembered not only for the impressive side but the pleasant social day which accompanied the initiatory work.

ALLEGED EMBEZZLERS IN PARTIAL CONFESSIONS

Hammond, Ind., Sept. 11.—Partial confessions have been obtained, it was said, by the Whiting police, from Joseph G. Birl, assistant cashier, and Joseph B. Puncho, teller of the Bank of Whiting, in connection with a shortage which may reach \$1600. Discovery of the shortage was made by Robert Prars, state bank examiner. Both men are in jail under \$1,000 bond.

RETURN FROM MONTANA.

Mr. and Mrs. L. O. Vaught have returned to Jacksonville after spending the summer in camp near Belton, Mont. They returned by way of the Great Northern to Chicago and their train followed its regular schedule. Service on that road seems to have been uninterrupted.

Mr. and Mrs. Vaught have been visiting the northwest country for a number of years and find no other place quite its ideal for recreational purposes.

TWENTY-FOUR ARE INJURED IN AUTO WRECK

Cleveland, Ohio, Sept. 11.—Twenty-four persons, fourteen of whom were children were injured today when a light truck used as a passenger bus skidded and overturned on Chardon Road hill east of here. Nine of the injured were taken to a hospital in a critical condition. The party was returning from a picnic.

FARMERS WOULD LIKE SETTLEMENT

Chicago, Sept. 11.—Settlement of the rail strike would be hailed with approval by the farmers of the entire country according to a statement by the American Farm Bureau Federation today. In face of the continued transportation tieup producers of perishables, such as fruit and vegetables face economic ruin and loss of their whole year's work.

ARENZVILLE

Arenzville, Sept. 11.—The Arenzville Public Schools opened their doors for work on Monday, September 4th. Although the heat was very oppressive, yet a large enrollment was taken on the first day, especially in the freshman class where a large enrollment, there being thirty-one members, the largest in the records of the school. It is hoped that at least seventy-five per cent of this class will graduate together.

The Assembly hall was filled to capacity and extra chairs were used until more benches and desks could be secured. Mr. Harold Burrus is acting as principal for this term; Miss Grace Pond of Bluff Springs as assistant principal and Miss Dorothy Oehler of Winchester as teacher in high school. Mrs. Ada Wessler has charge of the grammar room; Mrs. Zulauf has the intermediate and Miss Louisa Herbert has charge of the primary department. Miss Elizabeth Slaughter has charge of music.

Quite a number of wells and cisterns have gone dry in Arenzville due to the drought. The cistern at the high school has been cleaned and water is being hauled into this for the present use.

Dr. V. C. Baldwin a dentist of Beardstown, who makes professional calls to Arenzville several days a week was held up by three masked automobile bandits, while going home from Arenzville last Thursday night. The bandits secured \$126 besides other valuables.

Otto Nieman was a caller in Ashland Monday.

John Zulauf motored to Virginia Thursday.

Gerald Gill of Virginia was a caller in Arenzville Friday.

Miss Ada Scheele of Jacksonville, spent the week-end in Arenzville.

Wm. Roegge and family of Jacksonville passed through Arenzville Saturday.

Henry Treadway and Marcus Heffner motored to Virginia Monday.

Bernhardt Meyer motored to Jacksonville Monday.

Jason Reno and wife have moved into the Al Schaeffer house in the east part of town.

Misses Margaret Nieman, Lillian Lovekamp, Mable Smith, Ruth Roney and Lora Triebert attended the Cass county Endeavor convention at Chandierville Friday and Saturday.

Fred Kleinschmidt has recently purchased a new Willys-Knight touring car.

Albert Lovekamp has traded his Chevrolet for a new Studebaker.

John Roegge was delivered a new model five-passenger Ford one day last week.

Arthur Pfolsgraf began teaching school at Wagoner Bridge school last Monday.

Margaret Nieman is teaching at the Pleasant Grove school during the coming season.

Arthur Pfolsgraf visited friends in Winchester Sunday.

Your Seven League Boots

The wearer of the "seven league boots" could cover miles at a step.

A glance through your paper and you jump from New York to San Francisco, Philadelphia to London, or from Montreal to Timbuktu. You know what is going on the world over almost as soon as the events occur.

Turn to the advertising columns and you are transported to the grocers, the clothiers, the music store; you visit the factory of a manufacturer, or talk with the maker of a new household appliance.

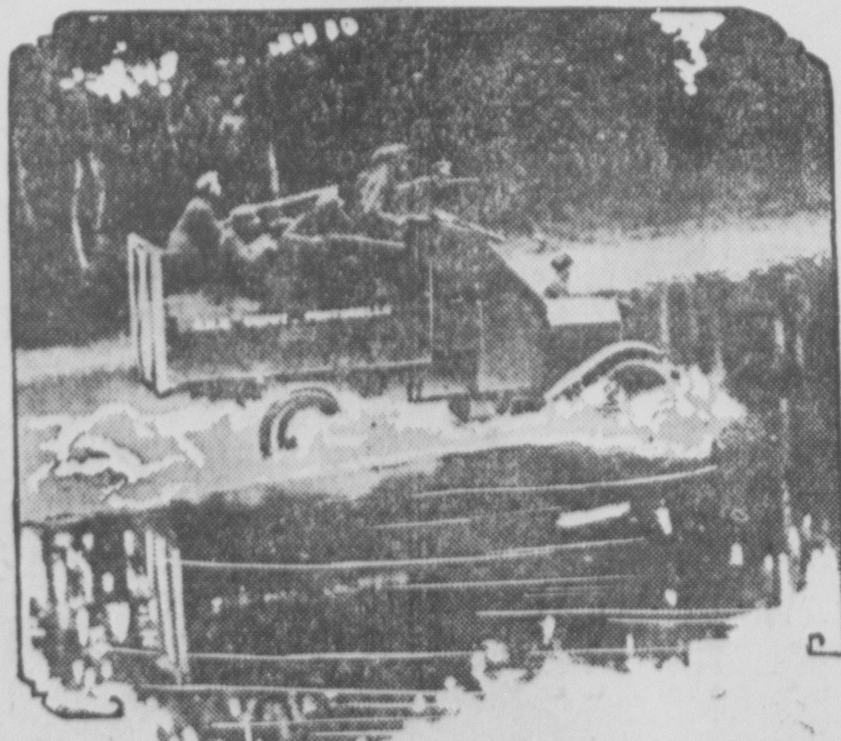

Right in your own arm-chair, unhurried, unworried and without effort, you can make your choice of good merchandise.

Merchants and manufacturers who put advertisements in this paper are progressive. They must give good value. They know that advertising, by increasing the number of sales, will lower prices and give you more for your money.

The advertisements are miles ahead of "seven league boots." Read them.

MANY LAYMEN AT M. E. CONFERENCE

Address Made To Laymen's Asso-
ciation By Dr. Harker—Educa-
tional Banquet Held—Dr. Mus-
grove Addressed Conference.

Decatur, Ill., Sept. 11.
(Special to Journal)
The morning address of intense
devotional power in addition to
the 4 o'clock evangelistic service,
both conducted by Prof. Sher-
merhorn of Garrett, Biblical Insti-
tute, continued up to Saturday
and drew a full attendance of
members and many visitors.

The Laymen
While the ministers were in
session Friday morning, in Grace
church, the Laymen's Association,
an organization of great power in
the church, was in session at the
First Methodist church. This as-
sociation is composed of men who
are both ardent Christian men,
and keen business men, and the
fifteenth annual meeting of the
organization emphasizes their im-
portance in the work of church.

What Laymen Must Do
The address of the morning
was made by Dr. Joseph R. Harker
of the Woman's College of Illi-
nois at Jacksonville. The sub-
ject of the address was the "Dis-
tinctive Marks of A. Methodist
Layman," and he outlined what a
layman should believe and do if
he would be a power in the
church, in four main points.

He must, first, believe that the
church is his most important life
relation. It follows him in every
relation of his life from his bap-
tism to his death. He said: "No
layman should feel himself mar-
ried if he had been married by a
justice of the peace." The legal-
ity of such a marriage is acknowl-
edged, he declared that in so im-
portant a step in a man's life, the
church should have a large part.

Know Church History
In the second place, Dr. Harker
said, a layman should know
enough of church history to rec-
ognize the glory of his inheritance.

Third, he should understand and
be in hearty sympathy with the
essential and emphatic princi-
ples of Methodism, and pleaded
for the church to stand by its
schools, as well as to be loyal to
all other organizations of the
church.

Fourth, He should understand
and be in sympathy with the poli-
cies of the church, for as a rule
the policies of the church not car-
ried out are the result of the ig-

norance of the laymen in regard
to them.

Educational Banquet
As before, the Friday 5:30
o'clock banquet under the aus-
pices of the Educational Commit-
tee, was crowded. More than
500 tickets were sold at 75c each
and the musical and oratorical
program, as well as the fried
chicken menu, with the access-
ories were of the highest order.

Dr. W. J. Davidson was toast-
master and the Wesleyan Univer-
sity students and alumni present
gave him the official designation
and inauguration as "Proxy."
Dr. J. Engle of Bloomington
spoke of the educational program
from the layman's point of view
—Prof. Shermerhorn of Evanston
spoke on the Religious Education
in the local church. Bishop Nich-
olson closed the happy combi-
nation of speakers by an address
on Conference Institution. Music
was furnished by Miss Marjorie
Landon, Teacher of voice De-
catur University.

Christian Citizenship
Two speakers of national re-
nown, Dr. John Thompson, pas-
tor of First Church, Chicago, who
spoke on the question of race
prejudice and the strike situa-
tion as observed in Chicago and
Mr. Virgil G. Hinshaw, who spoke
on his observation in Central Eu-
rope as the movement remark-
able toward national prohibition
of the Liquor Traffic, proved in-
tensely interesting as a real re-
velation. Rev. W. S. Fleming, Sat-
urday morning, spoke in the in-
terest of the National Reform As-
sociation which next to the An-
ti-Saloon League is the highest
and most effective organization
in civil reform in America—un-
der the auspices of the church.
Many facts in regard to Prize
Fight propaganda, Moving Pic-
ture Consorship, Commercializ-
ed Sabbath movements were most
powerful and effectively presen-
ted.

Dr. Musgrove Made Address
Because of his relations to the
great Harrison revival in Deca-
tur in 1883, with J. P. Dimmitt,
where after 19 weeks of strenu-
ous campaign 2300 people were
converted, Dr. W. H. Musgrove
spoke by invitation to the confer-
ence in reference to that great
event. The doctor is having a
great time among his old parish-
ioners and looks hale and hearty
notwithstanding his 81 years of
age. He resides in Chicago.

Many more changes in appoint-
ments are now apparent that was
at first thought possible, but sur-
ely the conference work will ter-
minate Monday afternoon.
The Woman's Foreign Mission-
ary society held a great session on
Friday and the Home Missionary
Society on Saturday with Mrs.
Bishop Thierkfeld, its president,
making the address.

HELD INQUEST OVER
CARL STOVER'S REMAINS
A jury summoned by Coroner
Rose yesterday afternoon held an
inquest in the case of Carl Stover
who was recently severely burned
near Hillview and was then
brought to Passavant hospital
here. According to the testimony
Stover who was accustomed often
had fainting spells, fell while
burning of a field. His clothing
caught fire and he was burned in
such a way that the resulting in-
fection caused death. Dr. F. A.
Norris was a witness before the
jury which included C. O. Bayha,
James T. Ellis, Thomas Bush,
Thomas Martin, Wallace Gibbs,
and Dick Reynolds.

WILL IMPROVE
BLACK HAWK TRAIL
Springfield, Ill.—By the A. P.
Improvement of Black Hawk trail
running from Beloit, Wis., to
Rock Island has been ordered by
the state highway division. O. F.
Greck, acting district engineer
with headquarters at Dixon, has
been requested by the department
to make final surveys of the trail
between Byron and Oregon in
Ogle county about 15 miles long.
The trail follows Rock river be-
tween Beloit and Rock Island and
is considered one of the scenic
routes of the state.

Washington, Sept. 11.—The ad-
ministration's twin coal bills de-
signed to regulate distribution of
fuel during the emergency and
for creation of a fact finding com-
mission were sent to conference
today by the house. Early agree-
ment was indicated by the con-
ference.

How'd You Like to Be Cameraman?

Aviators training at the naval air station at Anacostia, D. C., fly
almost into the eye of the camera as the movie men get thrills for the
news reels. The fliers are rehearsing for the Curtiss and Pulitzer races
to be held at Detroit in October.

Germany Prepares For Future

Even the little shaved-pees in the first grades of school are taught
some industry so that they may help in Germany's industrial revival
when they grow up. Here a class is taught hippology at the Charlotten-
burg school, with one youngster posing as the horse.

ARMY OFFICERS ALL OF AVERAGE RATING

(By The Associated Press)
WASHINGTON, Sept. 11.—
The officer personnel of the regu-
lar army will be all of "average
rating above in professional effi-
ciency when the work of the elimi-
nation board of general officers
has been completed this fall,"
Secretary Weeks said today. The
action of congress in amending
the terms of the reduction bill has
made it certain Mr. Weeks added
that the board will complete its
work within less than the time
specified.

The army rating of "average"
for officers exceedingly high. As
laid down in regulations, it is
thus defined:
Efficient; duty well performed,
up to standard, qualification sat-
isfactory.

PEKIN LEGION POST
WANTS POST HOUSE
Pekin, Ill.—(By the A. P.)—
Members of William Schaefer Post
No. 44, American Legion, are
planning to inaugurate a cam-
paign to build a post home. The
Legion has requested the Pekin
Memorial Park cemetery to dis-
continue soliciting funds for the
purchase of lots in the cemetery
to be deeded to the American
Legion and to return such con-
tributions already secured. A
first fund has been started for
the new building and an active
campaign will commence, it is
said, when the Legion has com-
pleted its plans.

WELL KNOWN PYTHIAN DEAD
Rolla, Mo., Sept. 11.—Joseph
J. Crites, 53, unsuccessful candi-
date for the Democratic nomi-
nation for Lieutenant Governor in
1916, is dead at his home here.
He had been ill several weeks.
He was a past grand chancellor of
the Knights of Pythias of Mis-
souri.

WILL VOTE ON
TRACTION FRANCHISE
Rockford, Ill.—The question of
granting a 20 year franchise to
the Rockford City Traction Co.,
will be placed before the voters
of the city at the November
election, Mayor Hallstrom has
announced. A committee of the
city council probably will draft
the ordinance embodying the
proposed by the company is
understood to be unsatisfactory
to the city council.

NEWSPAPERS PRINT
FARM BUREAU SPECIALS
Chicago, Ill.—Illinois news-
papers this year have printed
eleven special editions made up
entirely of farm bureau articles,
according to the Illinois Agri-
cultural Association Record. The
editions have ranged from eight
to 16 pages each and have been
published in the following cities:
Springfield, two; Mazon, two;
Fairfield, Louisville, Freeport,
Paris, DeKalb and Jerseyville,
two.

COMPLETE SURVEYS
OF STATE BOND ROADS
Cairo, Ill.—(By the A. P.)—
Surveys of state bond issue
road No. 2 from Cache river to
Mounds have been completed and
sent to Springfield, according to
L. Schwartz, district engineer at
Carbondale. The exact location
of the route will be selected by
the state engineers at Springfield.
It is said, Mr. Schwartz stated
the highway department plans to
raise the road at least four feet
above the highest known water
level.

OIL BORING NEAR WHITE HALL STOPS

Outfit is Moved to Farm Near
Glasgow—Shortage of Material
Stops Hard Road Work.

White Hall, Sept. 11.—The Dice
oil-boring machine was moved to
the vicinity of Glasgow last week,
and boring operations began to-
day on the farm of Emils Adams
with the view of going down 1-
500 feet. The outfit was brought
to White Hall after the effort to
strike oil on the A. L. McClay
farm near Bishop Spring, north-
west of White Hall, in Greene
county. There a distance of 800
feet was reached. At 700 feet
there were promising evidence of
a paying well, but after passing
the first pay sand and attaining
800 feet it became evident that
the oil was not present in suffi-
cient quantity to pay to install and
operate a pump. The location of

the outfit at present is in Scott
county.

With a supply of cement that
will keep operations going today,
the hard road between White
Hall and Roodhouse faces an in-
definite shutdown until more ma-
terial arrives. A shipment of
rock from Joliet is the thing most
needed today, and with rather
unpromising conditions on the C.
& A. for delivery of material, it
looks like the work will have to

drag. Progress has so far been
very slow on account of the slow
delivery of material, but the past
week showed a speeding up with
the jump in the work from the
James place to the east side of the
C. & A. track, and this speeding
up has found the material supply
not keeping pace.

W. Stockton of Sinclair was
added to the list of city callers
yesterday.

ILLINOIS WOMEN'S COLLEGE

77th Year Opens Wednesday, Sept. 20

Monday and Tuesday, Sept. 18 and 19,
Are Registration Days.

THE PURPOSE OF THE COLLEGE:—

To give to the women of Jacksonville and all of the Mid-
dle West the Open Door to the highest educational ad-
vantages in all subjects in which women are interested.

WHAT DOES THE COLLEGE OFFER?—

1. College Courses leading to the degrees of Bachelor of Arts, Bachelor of Science, and Bachelor of Music.
2. Courses in all branches of Art: Drawing, Painting, Design, China Painting, Leather and Metal Work, etc.
3. Course in Public Speaking: Both class and private lessons, and the staging of plays and pageants.
4. Courses in Domestic Science and Domestic Art.
5. Class and private lessons in every department of Music, including Children's Classes.
6. Courses in Physical Training: With an unusually equipped gymnasium; with swimming pool; arrangements are made to meet the needs not only of student but also of the women and children of Jacksonville.

Who can estimate the value to the community of such a college, preparing young women for places of leadership and usefulness, under distinctly Christian influences?

We invite the women of Jacksonville to make good use of all the advantages here offered. What courses are you interested in? Call at the College office, or phone 415 or 684. For Music see Mr. Pearson or phone 50-889.

IMPROVEMENTS AT AUTO INN

Dance Hall Has Undergone Improvements Since Close of Dancing Season—Opening Night Set For Sept. 18.

Extensive improvements are being completed at the Auto Inn dance hall, which will make one of the finest in central Illinois.

New decorations and new lighting effects to harmonize with the decorations makes a pleasing effect. The floor has been refilled and waxed. A check room has been added and a fountain will serve soft drinks. A ladies rest room and a gentleman's smoking room has been included.

A six-piece orchestra under the leadership of Dewey Blaine of Springfield will furnish the music. The opening night has been set for September 18.

Economy with distinction. That's the Jordan. And your money cannot buy a better car. Ask any old Jordan owner, or call 1860 for a demonstration.

WINCHESTER NEWS NOTES

Winchester, Sept. 11—Herman Ysberg and Earl Dine of Saginaw, Mich., arrived here Sunday by automobile for a visit at the home of Mr. and Mrs. P. R. Nelson where Mrs. Ysberg was already a guest.

Mr. and Mrs. VanTyle of Manchester were visitors here Saturday.

Miss Loretta Lashmet and brother Edmund have returned from a visit with relatives in Chicago and Rock Island.

Mrs. Curt Hankins spent Sunday with Mr. and Mrs. Bert Sorrells in Rockhouse.

Mr. and Mrs. J. Marshall Miller of Jacksonville were visitors here today.

Miss Mary Murphy has arrived from Chicago for a visit with her parents.

Mrs. N. T. Lashmet and her daughter, Miss Florence, who is here from Bluffs on her vacation went to St. Louis Monday to meet Mrs. Lashmet's daughter, Mrs. John Scurlack and infant son of Denver, Colorado.

FARM BUREAU PICNIC

Meredosia, Thursday, Sept. 14. Water sports. Free watermelon. Everybody invited.

SUIT FOR DIVORCE

In the office of Circuit Clerk Wanamaker, Mrs. Iona Ommen filed a suit for divorce from her husband Harry Ommen on a charge of cruelty. They were married Aug. 4, 1920, and lived together until May 15, 1921. Complainant is represented by Carl E. Robinson.

NOTICE TO FILE BILLS

All persons having bills against Morgan county are requested to file them before Saturday, Sept. 16, to insure payment at the September term of the county board.

WEEKLY COUNCIL SESSION HELD MONDAY

Mound Avenue Residents Want Water Service—Various Complaints Given Consideration.

Mayor Crabtree, City Clerk Scott and all members of the city council were present for the regular meeting held Monday night.

A committee representing property holders on Mound avenue outside the city limits was present to ask about the possibilities of securing water service. The subject was presented by Dr. H. L. Griswold, who was accompanied by Cully and Sperry. The request was referred to the water committee for action.

A communication was read from W. E. Sullivan of the Morgan County Good Roads association asking for the appointment of a special committee to co-operate in arranging for a good roads meeting in connection with the Farm Bureau picnic to be held at Meredosia Thursday. The mayor appointed a committee including Aldermen Ehnie, Sorrells and P. J. White.

A complaint was filed with reference to the condition of the C. & A. crossing on Independence avenue and was referred to Alderman Sorrells.

Mayor Crabtree made a report of his recent satisfactory visit to the general offices of the C. & A. when the officials manifested their interest in Jacksonville and made definite plans to do a certain amount of paving near the station.

Another complaint filed was with reference to the condition of the Wabash crossing on North Church street. Alderman Flynn also made a matter of record the removal of a number of sewer covers on South West street. Alderman Sorrells reported that the boiler for the heating plant in the city hall building will be set this week. Plant is being removed from the old light plant building to the city hall in order to cut down fuel cost.

Judge W. E. Thomson presented a verbal petition asking that the record of lot 6 in King's subdivision be cleared as to a certain special assessment made many years ago. This matter was referred to City Attorney Bellatti.

Car Congestion.

The custom of calling on visitors for remarks was followed and Marcus Hulett made reference to the obstruction in traffic caused by street cars on the south side of the public square. It was Mr. Hulett's thought that possibly some other arrangements could be made for the handling of the cars so there would be less interference with traffic. Mayor Crabtree said that Mr. Gray had made the present arrangement in an effort to improve conditions and that he knew Mr. Gray would be willing to make any other change that would give promise of bettering conditions.

Judge W. E. Thomson said that the present plans were an improvement over that followed for several years when the South Main street cars were stopped at the junction of the street and the square instead of moving close to the square.

Dr. Brokaw mentioned that in many cities the rule is for all traffic on a public square to move to the right and that the plan might help out the local situation.

Alderman Chapin and Alderman Sorrells also made suggestions and the matter was referred to the highways committee for action.

Medical Men TO MEET THURSDAY

Program Announced for Clinical Association and Morgan County Medical Society.

An all day program will be given by the Jacksonville Clinical Association and the Morgan County Medical society Thursday. The morning program will be at Passavant hospital and the medical men will meet at Oak Lawn in the afternoon and evening. The program for the day has been outlined as follows:

Abdominal section, tubes with complication.

Demonstration of adhesive splint for sprained ankle.

User of the vagina within one month of delivery.

Demonstration of metabolism apparatus.

Demonstration of medical cases. Luncheon 12:30.

Afternoon and Evening Program at Oak Lawn Sanatorium.

Tuberculosis Clinic 3 p. m. to 5 p. m.

Clinical Association business meeting at 5 p. m.

Dinner 5:45 p. m.—Guests of Dr. Martini.

Morgan County Medical meeting following dinner.

Subject "Mental Hygiene of Childhood"—Dr. F. P. Norbury.

Moving pictures furnished by Dr. Martini.

CHICKEN SUPPER

Ebenezer church tomorrow evening 5 o'clock.

LARGER ATTENDANCE IN PUBLIC SCHOOLS

Enrollment Monday Shows Increase of Nearly 200 Over Last Year—Medical Examinations Today.

The schools of Jacksonville opened Monday with an enrollment of 2332 according to a statement made last night by Superintendent H. A. Perrin. This number shows a considerable increase by comparison with last year when the first day's attendance was 2147. The increase this year is in both the high school and the lower grades.

The number actually appearing at the high school yesterday was 684 altho the total enrollment including those previously registered was 724. Some additional enrollments in both the high school and lower grades can be expected so that the attendance will probably exceed last year's record by a large percentage.

As is usual on the first day there was no active school work the pupils assembling mainly for the purpose of classification and to secure their book lists. Today the actual class room work will begin.

Important in today's program will be the medical examination. Miss Ryman and Miss Hutchison, the public school nurses, will have the co-operation of Dr. E. V. Brokaw, public health officer and his assistant Miss Stevens in making superficial examinations of all pupils. It is expected that this work can be completed in one day. The purpose is to note any symptoms of contagious diseases. If such cases are found segregation will be the order.

A shipment of cement has made possible resumption of work on the hard road east of Alexander. Mr. Lonergan of the construction company has other shipments in prospect and believes there will be no further interruption of the work because of lack of material.

BIRTH RECORD

Mr. and Mrs. George W. Scott of Connorsville, Ind., and Jacob Magid of Pana, spent Sunday and Monday with Edward Brennan at the Pacific hotel.

A Girl "Huck"!

Rollins which was approved. As guardian of Charles Williams, et al., the bank filed report in the estate of Mary Johnson which was approved.

H. C. Osborne as guardian of the minor heirs of W. E. Osborne filed a report which was approved.

In the estate of Fred Hembrough the widow's relinquishment was approved.

In the estate of Stephen Brainer petition for the private sale of personal property was allowed.

GIVEN HEAVY FINE IN COUNTY COURT

In the county court yesterday Oliver Lindsey of Litchberry precinct appeared before Judge Samuel and entered a plea of guilty to the charge of illicit manufacture of liquor. He was given a fine of \$500 and costs.

It was the claim of the defendant that the liquor recently found on his premises by an investigator sent there by State's Attorney Robinson was for his personal use. However, the quantity was so large that Judge Samuel believed that the law had plainly been violated.

HAMPSHIRE HOGS MADE FINE SHOWING

Clarence Quintal professor Clover Blossom farm, Winchester, Ill., has just returned from the Adams county fair with his herd of pure bred Hampshire swine. This herd showing against seven herds of Hampshire hogs won every first and every second with one exception. The hogs also won three championships and both grand championships.

VETERANS OF FOREIGN WARS

Held Interesting Meeting Monday Evening—Mrs. Annie C. Dickson Presented Picture of Lieutenant Harrison A. Dickson.

At the meeting of Harrison A. Dickson Post No. 503 Veterans of Foreign Wars held Monday evening Mrs. Annie C. Dickson presented a picture of her son, Lieutenant Harrison A. Dickson, to the Post.

The meeting of the Post Monday evening was an interesting one and a great deal of business was transacted. A committee was appointed to arrange for a social meeting to be held Monday, September 25. The committee consists of Henry Ricks, Murvin Ator and C. E. Segner.

Henry Ricks was appointed as Deputy Chief of Staff of Morgan county. Edwin Eckhoff was appointed deputy inspector for Morgan county.

Glenn Skinner, Leo Schy, Frank Robinson and Arthur Up-DeGraff were appointed a committee to arrange for a series of dances to be given during the winter by the post.

During the evening the members enjoyed a talk from Comrade J. Chester Colton of Woodson. Mr. Colton gave an eloquent talk on the duty which the veterans owe to their country—unfortunate comrades. The address was heard with close attention.

It was decided to attend the bazaar given by the Woodson Post of the American Legion on Thursday. If any members want to make the trip see Segner.

The Post is also trying to secure photographs of all gold star boys of Morgan county.

The Jordan Blue Boy in Blue Devil Blue—the most beautiful sport car ever built in this country—will be shown for the first time at the Illinois State Fair. Don't fail to see it.

J. W. FANNING DIES AT MURRAYVILLE

Well Known Citizen Died Monday Morning—Was Farmer by Occupation.

The death of J. W. Fanning, a well known resident of Murrayville, occurred at the family residence, Monday morning at 1 o'clock.

Decedent was the son of Ephram and Caroline Fanning. He was born April 15, 1856. Mr. Fanning was twice married. His first wife died June 15, 1911. His second marriage was with Alice Bailey of White Hall, who survives him together with seven children. His sons are: Charles Fanning of Canton, Warren Fanning, Murrayville, Clyde Fanning, Bayless, Ira Fanning, Carrollton, and his daughters, Mrs. Mary Vasconcellos, Chicago, Mrs. Lydia White and Mrs. Jesse Henry, both of Murrayville.

Mr. Fanning was identified with the Methodist church, a member of the Masonic order, Eastern Star and Modern Woodmen. He had retired from the occupation of farming which he had followed thru life.

AUTO TRAVELERS. David Wagner and family and J. R. Shafer and family, all from Decatur, Indiana, arrived at Nichols park Saturday night in the rain and camped there and remained Sunday and yesterday. They were greatly pleased with the park and will advertise it as far as possible. They also liked the city with its beautiful streets and shaded lawns. They are enroute to Albuquerque, New Mexico.

MOVING TO JACKSONVILLE. Mr. and Mrs. L. S. Recker, who have been living on the Charles Patterson farm in Ebenezer neighborhood, have moved to town and taken a home in the cottage house on West Morgan street.

HOME FROM LUDINGTON. Miss Jeanette Scott has arrived at the home of her father, Ezra Scott, on South Main street. She has been recuperating for some time at the Nurses' Rest home at Ludington, Mich.

GONE TO PENNSYLVANIA. D. W. Howe has gone to Pennsylvania, to visit a sister, who lives in Yorksburg and whom he has not seen for a good many years. While in the Keystone state he will visit other places also.

COMING BACK TO ILLINOIS. Mr. and Mrs. D. G. Henderson, who have been living in Harigan, Southern Texas, have returned to Illinois to stay.

FIND IT IN BOOKS

Thomson, J. Arthur. "The Outline of Science." A plain story simply told with more than 800 illustrations, 40 in full color. This is a set in four volumes but only three are off the press. This series is planned for the general reader who lacks time and opportunity for special study but takes an intelligent interest in the progress of science. The editor maintains that technicalities, although necessary for terse and precise scientific description, can be reduced to a minimum without sacrificing accuracy when the object in view is to explain the gist of the matter. It is an understandable and fascinating book of science for the layman that will win appreciation and is already very popular in point of circulation. It is well planned and very carefully written and remarkably well illustrated. The popularization of the achievements of scientific research have never been better done. There are several excellent reproductions of solar, lunar, planetary and nebular photographs, and a bold colored drawing of gigantic solar prominence. The author is without doubt the most capable compiler of scientific literature in the world. In this work we have the cream of the entire field of science, carefully planned and masterfully executed. These volumes, when completed will stand above Wells' Outlines of history, and will be within reach of every human being, whose mind and eyes are now and then lifted to the stars and the birds, no matter where his body may be. In popular character the work seems ideal; it is not simplified to words of one syllable, but couched in clear, cultured phrases, with sufficiently numerous unusual words to encourage the occasional healthy use of the dictionary. The author is a Professor of Natural History in the University of Aberdeen, Scotland. Too much praise cannot be given this wonderful set of books on science, simply explained. Get them at the public library.

Cramm Atlas Company, "Auto trails and commercial survey of the U. S. This is a new book which will be of special interest to the motorist. It has a full page map of each state indicating the auto trails and giving the highway pole markers in their original colors as well as a double page map showing all the transcontinental highways of the U. S. These transcontinental highways are outlined and numbered in a special print over a detailed double page map of the U. S. which shows cities and towns, and meeting points of the various National Roads. After routing a trip via the transcontinental highways, a detailed detour to some chosen spot, may be planned by referring to the desired state map which presents larger scaled markings that facilitate an itinerary. This book also includes an index to the principal towns and cities with their population, according to the latest census figures, a federal reserve banking districts map, a parcel post zone measure map, a map of all the National Parks and Monuments, with a brief sketch of each and a useful table for measuring distances between the largest cities. This book is just off the press and is too late to help the motorist much this summer but will be very useful in planning next summer's trips to any place in the United States. Use it at the public library. Highways Green Book, Third Annual Edition—Published by the American Automobile Association. This is a good roads encyclopedia and is full of information relating to road improvement under Federal, State and local control. It gives detailed information about the building and upkeep of roads in our National Parks and Forests also highway management and finance in the various states. The volume also includes the Federal Highway act of 1921 and the highway situation at present and their construction and maintenance, highway drainage, asphalt highways, sand-clay roads, concrete and brick roads and the use of tars in road building. There is also a motor car. This is a very valuable book, a storehouse of information on every phase of highway development and it will appeal to public speakers, legislators, college and high school students, newspaper and magazine writers, automobile clubs, commercial clubs, good roads associations, manufacturers of road building, building machinery and materials, also contractors, public spirited citizens and above all every motorist. Get it at the public library.

CIVIL SERVICE EXAMS TO BE HELD

Dates Set are September 30 and October 7 and 14—Several Positions are Open in Various State Departments.

The Illinois Civil Service commission have scheduled two examinations to be held in Jacksonville during October.

On October 7 examinations will be held for institution stenographer and university graduate stenographer. October 14 there will be an examination for assistant physician, advance teacher, university registration clerk and qualified nurse. The above positions are under what is known as the assembled class and the applicant must go to the place of examination.

September 30 there will be examinations for what is called un-assembled class. Applicants may make the tests at their homes under this class. Detail information will be furnished those interested on application to the Illinois Civil Service Commission, Springfield.

Among the places to be filled in this class are: Architectural designer, junior draftsman, registered nurse, pharmacist, psychiatric nurse, house mother and father, charge attendant, stationery engineer, laboratory technician and electrician.

C. N. PRIEST
MOTOR CAR CO.

AN OLD TIME PAPER.

A friend has left at the Journal office a poster announcing the attractions of the "Jacksonville Constitutionalist" a daily, weekly and tri-weekly paper, published in the northwest corner of the square over the postoffice. The paper was devoted to literature, arts, the sciences, news, temperance, politics and markets and all the interests of all of the people in general and of Jacksonville in particular. The rates of subscription were, weekly per year, \$1.50; tri-weekly, \$3.00; daily, \$5.00.

The publisher was John M. Targart and he advertised blanks of every description on hand and job printing on shortest notice.

The proprietor said it had already become one of the most popular newspapers in the west and its circulation was rapidly increasing. In mechanical execution it would compare with any newspaper east or west and its columns were carefully guarded against the admission of anything injurious to morals or religion.

The poster mentioned had on it a calendar of 1852. The sheet probably had a short life like several other similar enterprises which the city has seen since that time.

The Journal as a daily was started in 1864 by Col. G. P. Smith and that was calculated to fill a long felt want so that the other sheet probably had a rather brief career.

THE WONDER OF THE AGE
The GRAY car and how so grand a car can be produced for the money. I can supply you today—tomorrow may be too late to get one out of this load.
C. N. PRIEST
MOTOR CAR CO.

WOODSON.

The Woman's Missionary Society of the Christian church will meet with Mrs. Maurice Seymour Thursday afternoon.

Mrs. Harry Craig spent Monday in Manchester with her parents, Mr. and Mrs. M. S. Howard.

Mr. and Mrs. John Adams of Jacksonville spent Sunday with his parents here.

Miss Beth Cunningham is attending business college in Jacksonville this fall.

Among local young people who are attending high school at Jacksonville this year are Bernice Henry, Henry Maurice, Maurice Self, Bernice Kitner, Mabel Henderson, Roy Smith, Harry Ezard, Don Cunningham, Paul Jones, all in the freshman year; Esther Cunningham, and Clarence Kitner, juniors.

Miss Helen Orris is a senior this year at the Murrayville high school, while Charlie Sorrells is a sophomore there. Lucille Adams is in the junior year and Fred Orris in the freshman year.

MERRY AUTO LOAD.

An auto load of winsome and polite young ladies was seen on the square yesterday. The hostesses were Misses Allie and Inez Winter and their guests were Misses Ella and Mary Hembrough of Chicago, Gertrude Becker of Virginia, Helen Long of Liberty, Ivorine and Junila Coultas of Waverly and Grace Parry of Markham. They enjoyed their calls from various friends and merrily went on their way.

VISITORS FROM CLINTON.

Dr. and Mrs. Herbert Sugg and son Olney, of Clinton, have ended a visit with Mrs. Sugg's aunt, Mrs. H. L. Smith and family of West College avenue, and have gone to St. Louis.

ADJUTANT GOVERNOR HAS THE CERTIFICATES
All who expect to go to Des Moines from Matt Starr post, G. A. R. of the "Woman's" Relief corps, can now get certificates entitling the holder to half fare to the national G. A. R. encampment by calling on L. Goheen.

Fancy hand tufted comforts made to order. Lucht Sewing Shop.

\$11,835 Buys a Dandy

Stock Farm of 131½ Acres

I have just listed one of the real bargains of the year, located 5 miles southeast of Winchester, well improved with a dandy 7 room house, well, cistern, cellar, plenty of fruit, large barn and also a smaller one with good sheds. The house and barn are almost new, good running springs, about 90 acres in cultivation; balance in timber and pasture. If it appeals to you get busy at once.

J. A. Weeks
ARENZVILLE, ILL.

Now that the coal strike is over and we are assured that we will have plenty of fuel to keep our homes warm this winter, let's turn our attention to furnishing the home comfortably so that we can really enjoy living. The best and lowest priced furniture comes from this store.

PRICE OF WHEAT CLOSED UNSETTLED
By Associated Press.
Chicago, Sept. 11.—Estimates of a liberal surplus of supplies as compared with world import requirements had considerable influence as a bearish factor in the wheat market. Prices closed unsettled 3c to 1c lower with December \$1.01 1/2 to \$1.02 and May \$1.06 1/2 to \$1.07. Corn lost 1/2c, oats finished unchanged to 1/2c down and provisions off 5c to 12c.
According to an authoritative British source world import needs for wheat are about 656,000,000 bushels whereas exporting countries have available for shipment 776,000,000 bushels. Announcement of these figures with 3,817,000 bushels sudden increase of the United States visible supply total and talk of slowness of export demand were chiefly responsible for turning many commission house traders to the selling side of the wheat market more than overcoming an advance which had taken place soon after the opening and had been based in a measure on supposed indications of smaller receipts.
Preparations said to be underway for a bid new domestic acreage counted as a further stimulus to sellers of wheat. Good rains that had fallen over a large section of the winter wheat territory were expected to facilitate completion of fall plowing and seeding. Part of the selling here was said to be to close spreads between Chicago and Winnipeg.
Corn and oats paralleled the action of wheat. Reports of frost in Iowa and elsewhere lifted prices a little but the effect was only transient.
Provisions lacked support except from shorts.

Chicago Livestock Market
By Associated Press.
Chicago, Sept. 11.—U. S. Department of Agriculture—Cattle—Receipts 24,000. Slow, better grades beef steers and yearlings fully steady. Other grades weak to 15c lower. Western grassers largely 15 to 25c off. Top matured beef steers \$11.15 best earlings \$11; the stock steady to weak. Bulls largely 15c higher. Veal calves 25 to 50c lower. Stockers and feeders weak to 25c lower. Clearance of beef steers only fair at noon. Bulk beef native steers \$8.75 to \$10.35; bulk desirable bologna bulls \$4.10 to \$4.25; bulk veal calves around 12,000. Hogs—Receipts 40,000. Opened steady. Closed steady to strong. 180 to 210 and hogs \$9.50 to \$9.55; top \$9.65 late; bulk to 250 pound butchers \$9.10 to \$9.45; bulk 250 to 300 pounds \$8.50 to \$8.85; bulk packing sows \$8.90 to \$7.50; pigs strong to 25c higher. Best \$8.25 to \$9; estimated holdover 9,000. Sheep—Receipts 17,000. Lambs uneven. Packers buying mostly steady. Best to city butchers and shippers 10 to 25c higher. Desk choice trimmed natives \$13.25 to shippers; few other loads \$12.85 to \$13; packer top \$12.75, best western lambs \$13.10, sheep steady fat; heavy ewes \$3 to \$4; good handy weights \$8 to \$6.50; feeders firm; top feeding lambs \$13; bulk \$12.50 to \$12.60.

Kansas City Livestock
By Associated Press.
Kansas City, Mo., Sept. 11.—U. S. Department of Agriculture—Cattle—Receipts 1,000; beef steers and stockers and feeders generally steady to 15c lower; spots off more; several top lights and medium weights fed steers \$10.35; best lights \$10.15; better grades grassers \$8.50; plain kinds early, \$5.60 to \$6.85; good light feeders \$7.65 to \$7.70; fleshy kind \$8.90; fat heifers strong; most grassers \$5 to \$6; stock feeders strong to unevenly higher; best \$5.90 to \$6; other classes generally steady; most cows \$3.50 to \$5; best yearlings \$10 to \$10.50; medium to good bologna bulls \$3.40 to \$3.75; canners and cutters mostly \$2.15 to \$3.25.
Hogs—Receipts 8,000; active mostly 5 to 10c higher; spots on heavies up more; packer top \$8.85; shipper top \$9; bulk sales \$8.50 to \$8.90; good and choice 270 pounders \$8.80 to \$8.95; bulk 240 to 260 pounders \$8.40 to \$8.80; packing sows steady, mostly \$6.85 to \$7.10; smooth kinds \$7.25; stock pigs steady to 10c higher; better grades \$8.75 to \$8.90; best natives \$9.
Sheep—Receipts 7,000; lambs steady to 25c higher; top westerns \$12.90; natives \$12; bulk westerns \$12.75 to \$12.90; sheep strong; best light ewes \$6.85; bulk \$6 to \$6.50; wethers \$7.10.

C. L. GATES BURIED AT WAVERLY MONDAY
Funeral Services Conducted By Rev. J. W. Thomas—Waverly News Notes.
Waverly, Sept. 11.—The funeral of Clarence L. Gates, who died at 1:45 o'clock Saturday afternoon, was held at three o'clock Monday afternoon at the residence conducted by Rev. J. N. Thomas, pastor of the Christian church. Interment was made in East cemetery.
Mr. and Mrs. John Henninger of Springfield spent Saturday and Sunday visiting relatives here.
Misses Marie Walls and Winifred Deatherage spent the weekend visiting at the home of Miss Genevieve Gotschall near Franklin.
Mr. and Mrs. William Moulton Guy Moulton and Earl Gates arrived Sunday from Cedar Rapids, Iowa to attend the funeral of C. L. Gates.
Mr. and Mrs. Edgar Austin returned to their home in Peoria Sunday having visited for several days with relatives here.

Pears for sale now. L. H. Callaway, 2 1/2 miles N. W. of Chapin (1/2 mile north of Bethel.)

ZION LADIES AID ELECTS OFFICERS
Election of Officers Held at Recent Meeting—Zion Aid Society—Other News Notes.
At the election of officers of the Ladies Aid Society of Zion. New officers except vice president were elected. Mrs. Martha Bracewell still holds that office. The new officers are as follows:
President—Mrs. Mae Jordan.
Vice President—Mrs. Martha Bracewell.
Secretary—Miss Mary Blake-man.
Treasurer—Mrs. Grace Ozburn.
Mrs. Andrew Reid spent last Saturday with her son Frank Reid and family of near Roodhouse.
Misses Eva and Eula Ozburn and brother Clyde who attend high school at Murrayville had a narrow escape from serious injury Tuesday afternoon returning from school when the horse turned too short upsetting the buggy throwing the occupants out. They also received minor injuries but Miss Eva was the most seriously hurt. She will be kept from her school duties for several days.
Mrs. Virden Wagstaff spent Wednesday afternoon with her sister, Mrs. Grace Ozburn and family.
Mrs. Ida Wagstaff and Mrs. William Hart and son called on Mrs. Andrew Reid Wednesday afternoon.
Mrs. Lillie Bracewell and daughter Beth spent Wednesday with Mrs. S. A. Passage.

DR. BLACK ADDRESSES GREENE COUNTY SOCIETY
White Hall, Sept. 11.—A meeting of the Greene County Medical Society was held in White Hall that was attended by fourteen members of the profession. A chicken dinner at the Stocks at 1 o'clock was followed by the session in the pagoda of Whiteside Park, the leading speaker being Dr. C. E. Black of Jacksonville, who spoke on cancer, saying that a lump anywhere on the body, especially on the breast, should be removed rather than take the chance of it being of cancerous nature.
Accompanying Dr. Black was Mr. Allen, a national representative of the international congress of surgeons, who explained the objects of the congress. A talk by Dr. W. T. Knox on the use of drugs was laid over until the next meeting, which will be held in Roodhouse in December, when will be held the annual election of officers. The present officers are Dr. E. J. Peek, president, and Dr. W. T. Knox, secretary. The eight White Hall doctors were in attendance, and the visitors included Russell of Eldred, Smith and Edwards of Roodhouse, Burns of Carrollton.

OUTDOOR INITIATION HELD AT MERRITT
White Hall, Sept. 11.—Merritt, Scott county, was the scene of a large gathering of people recently, the occasion being an outdoor initiation by the Modern Woodmen camp, he work was put on by the team from White Hall. There were a number of representatives from Manchester and Winchester was to have furnished a class of candidates that failed to materialize. The Merritt band furnished music, and the visitors were provided with an elegant chicken supply. George Spangenberg, who headed the hitWe Hall delegation, declared that before the hour for the ceremonies at eight p. m., the people flocked into the little town in such numbers as to cause him to remark that it was

MRS. LULA VANN FULTON, ARK.
Suggests to Suffering Women the Road to Health
Fulton, Arkansas.—"I used Lydia E. Pinkham's Vegetable Compound for a soreness in my side. I would suffer so badly every month from my waist down that I could not be on my feet half the time. I was not able to do my work without help. I saw your Vegetable Compound advertised in a newspaper and gave it a fair trial. Now I am able to do my work and don't even have a backache every month. I cannot praise your Vegetable Compound enough and highly recommend it to those who have troubles like mine. I am willing for these facts to be used as a testimonial to lead all who suffer with female troubles, as I did, to the right road to health."—Mrs. LULA VANN, Box 43, Fulton, Arkansas.
It's this sort of praise of Lydia E. Pinkham's Vegetable Compound, given by word of mouth and by letter, one woman to another, that should cause you to consider taking this well-known medicine, if you are troubled with such symptoms as painful periods, weak, nervous feelings, miserable pains in your back, and cannot work at certain times.

NEWS OF THE SPORT WORLD

ST. LOUIS DEFEATS DETROIT IN NINTH

McManus' Single With the Bases Full and Two Out in Ninth Wins Game—Sisler Hits Safety in Thirty-Ninth Consecutive Game.

ST. LOUIS, Mo., Sept. 11.—McManus' single in the ninth with the bases full and two out, enabled St. Louis to take today's game from Detroit 5 to 4, thus holding the margin between the Yankees and the Browns to one and a half games. McManus' single followed Sisler's triple and passes to Williams and Jacobson after Sisler had tied the score with his three base hit to right center. Sisler got two hits out of five tries making 39 consecutive games in which he has hit safely.

R. W. Wetzel, of Pearl, Ill., has taken a position with the Berger Motor company as salesman. Mr. Wetzel has more recently been in Tulsa and Oklahoma City representing an automobile firm. He is a man of experience and well qualified for the work he has undertaken.

SYRACUSE MEET OPENED MONDAY

SYRACUSE, N. Y., Sept. 11.—With all of the leading Grand Circuit drivers here except the veteran, Pop Geers, the Syracuse meeting got off to an auspicious start today. Honors in the opening program consisting of three class events, each for \$1,000 purses were divided by Alonzo McDobald Murphy and Ray winning three straight heats and making the best time of the day, 2:05 1-2.

Murphy piloted Plain Mac to decisive victory in the second event, the 2:15 class trot, winning in straight heats. The Frisco Bell with Ray driving took second money. The third event furnished the most spectacular driving of the day when D. M. Maloney, Ray driving came back strong to win after trailing in the first heat.

A brisk breeze caused postponement of Peter Manning's scheduled attempt to lower the world's trotting record. Peter Manning will be started tomorrow weather permitting. Nedda 1:59 1-4 is scheduled to start tomorrow for a new world's record for trotting mares.

GIANTS INCREASED

THEIR LEAD IN RACE
New York, Sept. 11.—The New York Nationals increased their lead to 5 1-2 games by twice defeating Boston by the same score 7 to 6. In the first game, Jesse Barnes pitched well for seven innings and had a lead of seven runs when he weakened and was struck for four runs in the 8th. Boston scored two more off Ryan in the 9th but V. Barnes retired the side on a double play.

In the second game Boston got off to a six run lead but the Giants scored five in the 4th and won out in the 7th when Groh scored the tying run on Meusel's single and Kelly knocked in the winning run with a sacrifice fly.

First Game:
Boston 000 000 042—6 14 1
New York 202 002 10x—7 12 2
Marquard, Cooney and O'Neil, Gowdy; J. Barnes, Ryan, V. Barnes and Snyder.
Second Game:
Boston 003 300 000—6 8 0
New York 000 500 20x—7 11 1
Watson, Braxton, McNamara and Gowdy; Scott, Hill and Smith Snyder.

WILL MEET TONIGHT.

The Ella Ewing Missionary Society of the Central Christian church will meet with Miss Florence Wright Gilliam on West College avenue tonight. Mrs. Stella Peck will be assistant hostess and the leader will be Miss Annabel Crum.

Levi Gilmore or Edwardsville is visiting his uncle, E. J. Howe, 749 Chambers street.

BUILDING ACTIVITY RELIEVES JOBLESS

CHICAGO, Aug. 17.—(By The Associated Press.)—Building activity in Illinois has relieved to a large extent the unemployment due to curtailment of railroad and mining operations, according to a report of the United States Department of Labor for District No. 3 of which Barney Cohen, of Chicago, is director.

There are insufficient skilled workmen in building trades to meet demands, the report continues, but it was stated that there is little employment in mining towns. Employment in the packing industry continues firm, while shoe factories were reported operating at capacity.

Experienced farm and harvest hands are in demand, it was stated, with work on public highways furnishing employment for many. The report summarizes conditions in the larger cities of the state as follows:

"Chicago—Curtailment of coal production and lack of transportation has effected a slackening in operations in many of the industries. Steel industry on upward trend.
"East St. Louis—Industrial District, including Alton and Granite City. Supply equals demand.
"Peoria—General improvement. Shortage of skilled mechanics.
"Springfield—Employment conditions satisfactory. Farmers calling for harvest workers.
"Bloomington—Decrease in employment. Building active. Shortage of desirable homes.
"Joliet—Shortage of common labor. Several hundred rail men out of work.
"Decatur—Approximately 1,600 railmen unemployed. Other industries practically normal.
"Danville—Surplus of common labor. Scarcity of competent farm hands.
"Elgin—Unemployment is not an issue.
"Rockford—Outlook very bright. Shortage of skilled and common labor in some industries.
"Quincy—Industrial conditions good. Shortage of carpenters, farm and household labor.
"Caro—Industrial situation bright. All plants operating. Considerable road work under way."

RESULTS YESTERDAY

American League
New York, 3; Philadelphia, 4.
Boston, 3; Washington, 12.
Detroit, 4; St. Louis, 5.
Cleveland, Chicago; rain.

National League
Pittsburgh at Boston.
Cincinnati at Brooklyn.
Chicago at New York.
St. Louis at Philadelphia.

American Association
Milwaukee, 5; St. Paul, 7.
Kansas City, 14; Minneapolis, 2.
Louisville-Toledo; rain.
Indianapolis-Columbus; to be played tomorrow.

The Ladies Aid of Riggs-tou M. E. church will give a burgoon supper Thursday evening, Sept. 14 on church lawn.

YANKS WIN; RUTH GETS TWO HOMERS
Philadelphia, Sept. 11.—Babe Ruth's thirtieth and thirtieth-first home runs featured New York's 9 to 4 victory over Philadelphia. Ruth made his first circuit drive off Naylor in the fifth and his second off Schilling, a Texas League recruit in the eighth.

New York—110 213 010—9 14 0
Philadelphia—100 001 020—4 9 2
Shawkey and Schang, Hoffmann; Hasty, Naylor, Schilling, Ketchum and Perkins.

The Ladies Aid of Riggs-ton M. E. church will give a burgoon supper Thursday evening, Sept. 14 on church lawn.

DOES YOUR BACK ACHE?
It's usually a sign of sick kidneys, especially if the kidney action is disordered, passages scanty or too frequent. Don't wait for more serious troubles. Begin using Doan's Kidney Pills. Read this Jacksonville testimony.

Wm. H. Pollock, 133 E. Walcott St., says: "I had a dull ache thru the small of my back. My kidneys acted too freely and the kidney secretions were of a reddish color and contained sediment. I surely felt out of fix all over. I sometimes had dizzy spells when things would seem blurred and I would have to sit down until the spells passed. I used Doan's Kidney Pills as they were recommended to me and it was not long until they relieved all this trouble. I felt much better after a few doses and was cured after using several boxes. Doan's are surely a good medicine and I am glad to recommend them."

Price, 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Pollock had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.—Adv.

NOTICE
Louis Mastopietro has again taken up his residence in Jacksonville and will have charge of the Coat shop for Rothchild Clothing Co.

CARS COLLIDE
A car driven by Elmer Harris of Virginia collided with the car of Ollie Parker yesterday damaging both machines slightly.

Sewing done at your price. 912 North Prairie, Tel. 1029.

Al Chapman came in from Litterberry yesterday to look after business.

C. A. Beavers of Litterberry was calling on the business men of the city yesterday.

FORTY FIVE MEN OUT FOR FOOTBALL AT J. H. S.

Coach Mitchell Had Men Out for First Time Monday Afternoon—Expects to Build Good Team.

Forty-five men responded to Coach Mitchell's call for football practice at the high school Monday afternoon. Coach Mitchell will practice during this week on Illinois field but expects to arrange for practice at Jacksonville state hospital after next week.

There was not much done yesterday aside from kicking and passing the ball. However, Coach Mitchell found several good prospects among the large squad of freshmen who answered his call. He expects some of them to make the first team and develop into stars before finishing their school careers.

With the first game of the season only two weeks away the coach will have his men stepping a merry clip from now on to prepare for it. The opponent of the Red and White in the opener will be Winchester high and the game will be played here.

Among the letter men back for this year are: Capt. Putnam, Hunt, Lewis, Corbridge, H. Hopper, Arnold, Hackett and L. Bracewell.

The following second string men from last season are back and are out trying to land on the first team this year. K. Bracwell, Kamm, Dewese and Jack Benson.

The freshmen squad contains a large number of candidates and Curtis, Hayes, Massey, Oogge, Walbridge and Smith looked promising in the preliminary practice. By the last of the week Coach Mitchell expects to have his men divided into teams and then strenuous work will begin.

NOTICE

ROAD DISTRICT SEVEN
All persons having orders issued by the Commissioner or accounts against the district are requested to present them, itemizing accounts, at the County Commissioners' office in the Court House on September 15th, for adjustment and payment.

One Quality Only

The Silvertown is the pioneer cord tire of America. Its history is the record of every important development in cord tire construction. From the start it gave the motorist a new idea of tire service. The Silvertown is made by an organization with 52 years' experience in rubber manufacture.

There is only one quality in Silvertown Tires. The materials and workmanship in one are the same as in all others. The name of Silvertown is always a symbol of good quality.

Your dealer will sell you the Silvertown in any size from 30 x 3 1/2 in.
